

Artist Commissions Policy

It is free to display your art on GettheGallery.com and as an artist you have multiple opportunities to generate commission compensation through this partnership. Our most common strategies are outlined below.

Monthly Subscription Commissions

Get the Gallery offers our subscribers three monthly subscription plans and after submission of your work to your Artist Profile, each piece will be assigned to one of these three subscription plans.

1. Art Enthusiast - \$49/month
 - a. Small, medium, some large work, \$1,000 gallery price or less.
2. Art Lover - \$99/month
 - a. Small, medium, large, some oversize work, gallery price up to \$3,000.
3. Art Collector - \$149/month
 - a. Small, medium, large, oversize work, gallery price up to \$5,000.

When a subscriber rents your work, you will receive 50% of the customer's monthly subscription dues, paid by check within 14 days of Get the Gallery receiving outgoing shipping notification from your location.

Example:

- Artwork Dimensions: 11" x 17"
- Gallery Price: \$800
- Subscription Level: Art Enthusiast - \$49/month subscription

Artist will receive \$24.50 per month each month this piece is actively being rented by a Get the Gallery subscriber.

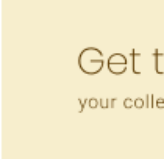

Direct to Get the Gallery Sale

Get the Gallery will compensate artists 60% of the gallery price for their work, paid through monthly commissions. Once Get the Gallery has paid an artist 60% of the gallery price of their work through monthly commissions, Get the Gallery will have "purchased" the piece and will reach out to each artist to execute the transfer of ownership.

Example:

- Artwork Dimensions: 11" x 17"
- Gallery Price: \$800 x 60% Total Gallery Price = \$480 total commission.
- Subscription Level: Art Enthusiast - \$49/month subscription

Once the piece has been rented for 20 months by Get the Gallery Subscribers (\$480/\$24.50) Get the Gallery will have "purchased" the piece from the artist.
